December 5, 2011

Dear Families,

Trinity Child Development Center is now registering for September of 2012. TCDC offers both full time childcare (“Extended-care”) and a morning Kindergarten program (“Kindergarten-only”). Enrollment is based on your child’s age on September 1, 2012.

Extended-care is offered for children ages 12 months through 5 years. Our center is open for Extended-care on weekdays from 7:00 AM to 6:00 PM from September through August, with the exception of closures for holidays and staff development. Three-, four-, and five-year-old children in the Extended-care program are automatically included in the morning Kindergarten program during the school year, and Summer Fun Camps during the summer, with no additional tuition required. Children in the Extended-care program are served a hot lunch and two snacks each day.

Our morning **Kindergarten** program is for children ages three, four, and five years old. Kindergarten is offered on weekdays from 9:00 AM to 1:00 PM from September through May, and generally follows the Homewood school system in regard to holidays. Children enrolled in the Kindergarten-only program may “drop-in” to attend the Extended-care program in the early mornings, afternoons, and on days when Kindergarten is not in session if TCDC is open for Extended-care. The drop-in rate is \$8.00 per hour (or any part of an hour over 15 minutes), and the office should be contacted in advance to confirm that a spot is available for your child on the date and time you would like to use the drop-in service. Children in the Kindergarten-only program are served a morning snack each day and must bring their lunch from home.

Attached to this letter is our registration form. If you wish for your child to attend TCDC next year, you must fill out a registration form and return it to the TCDC office. Please complete the top section of the form and then check the Extended-care or Kindergarten-only option that you would like to choose for your child. The registration fee is \$125 per child and must be returned with the registration form. The registration fee is not applicable to tuition and is non-refundable if a place is available at TCDC for your child.

Registration forms and fees will be accepted beginning December 5, 2011. Please fill out a separate registration form for each child in your family. Forms may be returned to the TCDC office during office hours of 7:00 AM until 6:00 PM or mailed to the address above.

Children may be registered for TCDC in the following order:

1. **December 5, 2011:** Children of Trinity staff members
2. **December 7, 2011:** Children currently enrolled in TCDC who will be re-enrolled in the same program (Extended-care or Kindergarten-only) for the 2012-2013 contract year
3. **December 14, 2011:** Children currently enrolled in TCDC who will change programs for the 2012-2013 contract year; Children currently enrolled in PDO; Siblings of children currently enrolled in one of Trinity's week day programs
4. **January 11, 2012:** Children of church members who are not currently enrolled in Trinity's weekday programs
5. **January 25, 2012:** Open registration

Please remember that enrollment is on a first-come, first-served basis and space is limited. Registration forms will be numbered and dated as they are received.

Student contracts for the 2012-2013 school year will be mailed by **February 24, 2012** to all registered students for whom we have a place. Students for whom we do not have a place will remain on a waiting list and their parents will be notified. Signed contracts and supply fees should be returned to the school office before **March 26, 2012**. Your child's enrollment is not complete until both the signed contract and supply fee have been returned to the school.

Supply fees that must be returned with the 2012-2013 contract will be:

1. \$140 for children who attend 3K three days each week (M/W/F).
2. \$200 for children who attend 5K.
3. \$190 for children who attend five-day programs, other than 5K

Please remember that children must be registered for enrollment each year. Neither current enrollment nor placement on our waiting list will carry over from year to year.

Additional registration forms are available in the TCDC office. Please call the office if you would like to schedule a visit to our school, talk with the directors, or if you have any questions about registration.

Kim Wood
