

Publication/Website Photograph Permission Form

Updated 2-19-2007

Trinity United Methodist Church is launching a new and improved website, and photographs of people on our site tell a better story of who we are than photographs of empty buildings. We would like to use a photograph of you or your child(ren) on our site. If you will grant permission for us to use such photographs, it will be greatly appreciated!

To GRANT permission to use your picture or your child/children's picture:

I _____ (please print your name) grant permission for Trinity United Methodist Church to publish photograph(s) of me and/or my child/children, _____ (please print children's names) in the church's publications or websites. I understand that these photograph(s) will be available to a large audience and to the general public. I further understand that Trinity United Methodist Church assumes no liability or responsibility whatsoever concerning any consequences of such use.

I further state that I have the right to give this permission as the child's parent or legal guardian. I understand that if I give notice to the Communications Director or webmaster that I object to a particular photograph on the website, it will be removed as soon as possible.
